

135.156D Technical infrastructure.

1. The Iowa health information network shall provide a mechanism to facilitate and support the secure electronic exchange of health information between participants.

2. The Iowa health information network shall not function as a central repository of all health information.

3. The Iowa health information network shall provide a mechanism for participants without an electronic health records system to access health information from the Iowa health information network.

2012 Acts, ch 1080, §13, 17

For future repeal of this section upon assumption of administration and governance of the Iowa health information network by the designated entity; notice by Iowa department of public health to Code editor upon assumption by the designated entity, see 2015 Acts, ch 73, §8, 9
